Appealing to his integrity as a Demon Slayer, he immediately refuses, resulting in a battle to the death between the two. He instructs Tanjiro and Inosuke to stay behind. Despite Kyojuro's tremendous strength and speed, Akaza overwhelms him with his unique martial arts and powerful regeneration, injuring Kyojuro severely. Tanjiro and Inosuke can not do anything but look from afar helplessly. 337"Set Your Heart Ablaze"Transcription: "Kokoro o Moyase" (Japanese: 心を燃やせ)Haruo SotozakiHaruo SotozakiHar However, Akaza fatally injures him, and seeing the arrival of daybreak, flees. Their father, a former Flame Hashira but now an alcoholic who detests the Demon Slayers and sees both of his sons as failures, dismisses Tanjiro violently. However, when he sees Tanjiro's earrings, he explains to him he is a bearer of the first breathing technique, called "Sun Breathing technique, called "Sun Breathing". Tanjiro headbutts him for disrespecting Kyojuro's death, Tanjiro, Zenitsu, and Inosuke accompany the Sound Hashira Tengen Uzui to their next mission - infiltrating the famed Yoshiwara red-light district, where demons are said to reside. 359"Infiltrating the Entertainment District, where demons are said to reside the suspected demonic presence in Yoshiwara, Tengen had sent his three wives to infiltrate the three Houses in the district. However, having stopped receiving messages from them, he has started worry for their safety. As such, Tengen disguises Tanjiro, Inosuke, and Zenitsu as girls and sells them to the three Houses in which his wives were deployed, in order to find clues to their fate and whereabouts. Though with some difficulty, all three Demon Slayers are accepted to work at the Houses. As Tengen surveys the district from the rooftops, it is revealed that Makio, one of Tengen's wives, is held captive in a secluded room in Inosuke's House, being restrained by numerous obi, and enduring interrogation from a mysterious female voice. 3610"What Are You?"Transcription: "Nanimono?" However, he guickly senses something moving through the ceiling and walls, and starts a pursuit, though to no avail. Meanwhile, in his own House, Zenitsu defends a girl from being scolded by Warabihime, the House's beautiful but intimidating Oiran. Zenitsu recognizes her as a demon but is attacked by her in anger. A few days before the mission, the madam of the house confronts Warabihime, having figured out her identity, but Warabihime kills her by dropping her onto the street from a great height. When Warabihime returns inside, she is greated by Muzan. Muzan praises the demon, noting her strength and beauty, and addressing her by her demon name Daki: the Upper Rank Six. Later, Zenitsu wakes up, having been taken care of by the girls he had defended, and they thank him for standing his ground. Having just left his House, Tanjiro detects a scent coming from its direction and decides to return, only to be confronted by Daki, who has absorbed the Oiran into her obi. The two begin to fight, and Daki easily overpowers Tanjiro with her numerous obi sashes. With the impact of her attacks, one of the straps on Nezuko's box breaks, meaning Tanjiro can no longer carry her and has to leave her stationary. Realizing she will be the strongest demon he's faced thus far, Tanjiro readies himself to face Daki alone. 3812"Things Are Gonna Get Real Flashy!!"Transcription: "Dohade ni Iku ze!!" Battling Daki by himself, Tanjiro tries to use his Hinokami Kagura but realizes the fatigue on his body is preventing him from fighting effectively. Elsewhere, Inosuke discovers an incredibly narrow passageway under his House, leading to a cavern which appears to serve as a holding cell, full of obi that Daki has used to absorb her victims. This obi turns out to be an entity that can function independently from Daki's body; Inosuke first attempts to slay it but decides to prioritize freeing the people trapped inside. Overwhelmed, he nevertheless manages to free Suma and Makio - two of Tengen's wives - as well as Zenitsu, all of whom assist him in his fight, before being joined by Tengen himself. 3913"Layered Memories"Transcription: "Kasanaru Kioku" (Japanese: 重なる記憶)Jun'ichi MinaminoTakahiro MiuraJanuary 9, 2022 (2022-01-09) As Tanjiro and Daki battle, Daki causes immense destruction to the district, taking the lives of Hinokami Kagura attacks, nearly slashing her neck, though Daki saves herself by transforming her neck into an obi, making it difficult to cut. Instead, she wails and cries, causing her brother Gyutaro to emerge from within her. Gyutaro, who is also the Upper Six alongside Daki, reattaches Daki's head, and, full of jealousy at Tengen's good looks, begins to fight him using his sickles and Blood Demon Art. Tengen trades barbs with Gyutaro and Daki over their clashing beliefs. As a young man, Tengen was brutally trained by his father as a member of the Shinobi and wanting to avoid the path taken by his surviving brother, he approached Kagava, alongside his wives, who commended him on striving away from his past. As they fight, he separates the siblings but realizes he was poisoned by Gyutaro's earlier cut. Tengen is joined by Tanjiro, Zenitsu, and Inosuke, praising and acknowledging them. The district is evacuated by Suma and Makio, while Hinatsuru recovers and approaches the battle. Planning to behead them simultaneously, the clash is split as Daki engages Zenitsu and Inosuke, while Gyutaro clashes with Tengen and Tanjiro. Syncing their powers and fighting as one, the Upper Rank siblings overwhelm the Demon Slayers. However, Tanjiro, realizing his Water Breathing is more useful defensively, is able to fend off Gyutaro's attacks. Hinatsuru enters the fight and fires wisteria-laced kunais at Gyutaro, allowing Tengen and Tanjiro to move in and reach his neck. 4216"Defeating an Upper Rank Demon"Transcription: "Jogen no Oni o Taoshitara" (Japanese: 上弦の鬼を倒したら)Jun'ichi MinaminoHaruo SotozakiJanuary 30, 2022 (2022-01-30) Gyutaro neutralizes the wisteria poison and regenerates his legs, allowing him to stop their charge. Tengen shows his gratitude and joins his attempt to slice off Gyutaro's head, while Zenitsu and Inosuke continue to fend off Daki's obi. Gyutaro away to save Hinatsuru and Tanjiro. With Tengen fighting Gyutaro alone, Tanjiro joins Zenitsu and Inosuke in facing Daki. Gyutaro suddenly appears, stabbing Inosuke from behind and retrieving Daki's head. Tanjiro turns around, only to see an injured and downed Tengen. Gyutaro arrives, mocking his inability to defend her and his friends and slamming him around the burning city. With Tanjiro at his mercy, Gyutaro proposes he become a demon, willing to spare him; Tanjiro responds by head-butting him, simultaneously stabbing him with a poisoned kunai. Immobilizing Gyutaro, he attempts his Hinokami Kagura once more to behead him. Daki sees this but is attacked by Zenitsu before she can kill him, Tengen, having halted the poison's effects, intervenes, battling Gyutaro despite his wounds. Seeing his chance, Tanjiro reaches Gyutaro's neck, whilst getting stabbed in the jaw. Summoning his remaining strength, he begins to slice through. Zenitsu loses momentum without cutting Daki's neck but is joined by Inosuke, revealing he moved his internal organs upon getting stabbed, causing Gyutaro to miss his heart. The Demon Slayers simultaneously behead the siblings, whose heads roll close to each other. They find Tengen surrounded by his wives and she saves him as well. Setting out to finish the demons, they find a pool of blood, where Tanjiro takes a sample for Tamayo. Finding their relationship, Tanjiro intervenes but Daki dies first. Seeing this, Gyutaro remembers his past life. Born in the poorest caste of the Entertainment District, his ugliness meant he was treated as a monster by all. Living in poverty, things change when his sister, Ume, was born. With her beauty, the siblings began living better. However, upon turning thirteen, Ume blinded a samurai and was burned in retaliation. Finding her body, Gyutaro is slashed by the samurai, asked by Ume's madam. However, he survives and kills them both. Without help, they are found by Upper Six of then, Doma, who offers to turn them into demons. Gyutaro meets with Ume in the afterlife, where they reconcile and promise to never be apart again, walking to Hell together; Gyutaro finally disintegrates. The Serpent Hashira, Obanai Iguro arrives, sarcastically praising Tengen for killing an Upper Rank. However, Tengen intends to retire and informs him of Tanjiro's incredible potential. Elsewhere, an increasingly ill Kagava is overjoyed at the news, and expresses his proudness in the three young Demon Slavers, noting Muzan's defeat is near. Simultaneously, Akaza is summoned to the Infinity Castle, realizing an Upper Rank was killed. Tanjiro emotionally embraces Zenitsu, Inosuke, and Nezuko, happy they have all survived the battle.
